REQUIREMENTS

Revised

1. **Parents** are responsible for informing their **supervising board** of their decision to provide a home education program for their **children**. Parents must fulfill this requirement by submitting all parts of the Home Education Regulation Notification Form No. 2 to the supervising board. Form No. 2 is available from the **supervising board** or from Alberta Learning's Home Education Information Package at: <http://www.learning.gov.ab.ca/educationsystem/homeedinfo.pdf>
2. The **school jurisdiction** must conduct at least two assessments on-site in the home for each home education student they supervise per school year.
3. A supervising board must offer annually not less than 50 percent of basic funding for home education to the **parents** of **home education students** for the purchase of Programs of Study and instructional materials.

For elementary home education students (grades 1 to 6) taking a full course load of ADL courses, if the total compulsory course costs (net of any applicable refundable deposit) exceeds the 50 percent funding provided by the supervising **board** to the home ed **parents**, the difference will be covered by additional funding provided by Alberta Learning. This funding may be claimed by submitting a completed form 02AL1.13b.

4. Home education funding is based on:
 - a) Student registration information in grades 1 to 12 as of September 30 that is reported to the Learner Records & Data Exchange by October 3; and
 - b) Report of ADL courses for **home education students** on form 02AL1.13a.
 - c) Report of additional ADL course costs for grades 1 to 6 on form 02AL1.13b
5. Home education funding for a supervising board is calculated by:
 - a) multiplying the number of **home education students** in grades 1 to 12 on the September 30 **count date** by the home education rate; and

- b) adding 50 percent of compulsory ADL course costs for students enrolled in grades 7 to 12, as paid for by the supervising board, not exceeding the home education funding rate.
- c) adding the compulsory course costs for home ed students in grades 1 to 6 which exceed the 50 percent funding provided by the supervising **board** to home education **parents**.
6. A **blended program** consists of a school provided portion and a home education portion. Funding for a supervising board for each student enrolled in a **blended program** on the September 30 **count date** is the sum of the calculations in (a) and (b) as follows:
- a) Multiplying the percentage of each student's program in which the student is enrolled in a school provided portion of the education program of the supervising board by the basic instruction funding rate for supervising boards, and
- b) Multiplying the percentage of each student's program in which the student is enrolled in courses as a **home education student** by the home education rate including 50 percent of the ADL course costs to the pro-rated portion of the maximum.

Example:

A student in a home education program 40 percent of the time and a regular program 60 percent of the time would be funded as follows:

Home education rate	0.40	X	\$1121	=	\$448.40
Plus course costs to a maximum of 40 percent of home education rate	0.40	X	\$1121	=	\$448.40
Plus the Regular rate	0.60	X	\$4367	=	<u>\$2620.20</u>
Total					<u>\$3517.00</u>

CONSIDERATIONS**Revised**

1. **School jurisdictions** shall have home education policies in place that indicate which Programs of Study and instructional materials will be considered for reimbursement and the amount of reimbursement for students in blended programs.
