

ALLOCATION DESCRIPTION

New

This funding, which is in addition to Base Instruction funding, is provided to address the costs associated with providing for the educational needs of eligible First Nations, Métis, and Inuit students/children. This is an allocation method only; **school jurisdictions** have maximum flexibility to use these funds in whatever manner best meets their local needs.

ALLOCATION FORMULA

$$\text{First Nations, Métis and Inuit (FNMI) Education Allocation} = \left\{ \begin{array}{l} \text{Number of FNMI students} \\ + \\ \text{Number of FTE FNMI children} \end{array} \right\} \times \text{FNMI Rate}$$

ALLOCATION CRITERIA

1. The number of eligible FNMI students/children used to calculate FNMI Education Funding for 2006-2007 will be based on either the Statistics Canada 2000-2001 census data or on the number of self-identified **funded children/students** – whichever option **school jurisdictions** chose in 2004-2005. **School jurisdictions** that elected to use self-identified numbers in 2004-2005, will continue on that basis. **School jurisdictions** who elected to use the Statistics Canada data in 2004-2005, may choose to continue on that basis for 2006-2007 or they may elect to change to the number of self-identified **funded children/students**. **School jurisdictions** wanting to make this change for 2006-2007 must notify the Director of School Finance Branch in writing by October 31, 2006. Please note, once a **school jurisdiction** chooses to use the self-identified option, the choice is permanent and cannot be changed in the future. See the table on the next page.
2. FNMI funding is provided to a **school jurisdiction** based on the number of students and the number of ECS children counted as 0.5 full-time equivalent.

DOCUMENTATION AND REPORTING REQUIREMENTS

1. All **school jurisdictions** receiving FNMI Education Funding must report FNMI student achievement and high school completion rates in their Annual Education Results Report as specified in the *Guide to School Board Planning and Reporting*.

2. The following types of self-identified FNMI students/children who reside off reserve are funded by Alberta Education and should be coded follows:

- Code 331 Aboriginal Learner – Status Indian/First Nations
- Code 332 Aboriginal Learner – Non Status Indian/First Nations
- Code 333 Aboriginal Learner – Métis
- Code 334 Aboriginal Learner – Inuit

These students/children are self-identified and a signed declaration is required on the school registration form.

ADDITIONAL INFORMATION

1. FNMI student registration information is taken on the **count date** of each school year and submitted to the Information Services Branch by October 5. The 2006-2007 school year is the third year of the Data Collection Initiative and involves the self-identification registration process being led by the Aboriginal Policies Sector, Alberta Education. For further information or if you have questions regarding the collection activity, please contact the Information Services Help desk at (780) 427-5318. For **school jurisdictions** who chose to use the Statistics Canada data, FNMI funding will be based on the statistical data for each year as outlined in the following table:
