

Forms

Introduction

Section 276 of the **School Act** provides the Minister of Education with the authority to prescribe notices and forms and states:

276 The Minister may prescribe notices and forms to be used under this **Act** whether or not specifically required to do so by this **Act**.

Only forms that may be used as blackline masters, such as the *Home Education Notification Form*, are included. Any forms that are sent to school authorities on a yearly basis by the department are not included.
