QUICK REFERENCE CHART FOR IMPLEMENTATION OF CURRICULUM AND RELATED ACTIVITIES (2011–2012)
See full [implementation schedule](#) for more information.

The Implementation Schedule is a long-term planning tool to assist school authorities in planning resource allocations, and in developing and implementing professional learning activities. This Quick Reference Chart is an abbreviated version of the schedule.

This year, the Implementation Schedule includes new information on *Action on Curriculum: Curriculum Standards and Process Redesign*. *Action on Curriculum* reflects Alberta Education’s commitment to continually improve its work in providing a world-class, student-centred curriculum for students now and in the future. Programs of study, assessment tools, and learning and teaching resources that are developed using the revised principles, standards and guidelines of *Action on Curriculum* are indicated in this Quick Reference Chart by the **coloured shading**.
