CARDIFF ROMAN CATHOLIC SEPARATE SCHOOL DISTRICT NO. 684

Notes to the Financial Statements

Year ended August 31, 2010

1. AUTHORITY AND PURPOSE

The Cardiff Roman Catholic Separate School District No. 684 (the "District") was formed on September 19, 2008, by the Government of Alberta, Department of Education, Ministerial Order 032/2008, the Cardiff Roman Catholic Separate School District No. 684 Establishment Order. The District was established as a non-operating school board and an Official Trustee was appointed to conduct the affairs.

The District's students are directed to Greater St. Albert Catholic Schools (the "Division"), and, in particular, the Division's schools in Morinville. The District has in place the following agreements with the Division: "Fee for Services Agreement" dated February 26, 2009, and "Student Transportation Services Agreement" dated February 26, 2009.

2. ACCOUNTING POLICIES

Adoption of accounting policies

During the year, the District applied the new recommendations of the Canadian Institute of Chartered Accountants ("CICA") on accounting, measurement and financial reporting by not-for-profit organizations contained in Section 4400 series and in Section 1540 of the CICA Handbook. The adoption of these new standards resulted in no changes in the presentation of the financial statements or the notes.

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles ("GAAP") and accounting policies consistent with those prescribed by Alberta Education for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

Revenue recognition

Unrestricted contributions are recognized as revenue when they are received or receivable. Contributions in kind are recorded at fair market value when reasonably determinable.

Financial instruments

It is management's opinion that the District is not exposed to significant interest, currency or credit risks arising from financial instruments.

All financial assets and liabilities are classified as one of the following categories: held-for-trading, loans and receivables, held-to-maturity, available-for-sale and other financial liabilities.

**CARDIFF ROMAN CATHOLIC SEPARATE SCHOOL
DISTRICT NO. 684**

Notes to the Financial Statements

Year ended August 31, 2010

2. ACCOUNTING POLICIES (continued)

All financial instruments are initially recognized on the statement of financial position at their fair value. Subsequent to their initial recognition, all financial instruments continue to be measured at their fair value except for held-to-maturity investments, loans and receivables, and other financial liabilities, which must be measured at amortized cost using the effective interest rate method.

The District has classified its cash as held-for-trading and its accounts payable and accrued liabilities as other financial liabilities. These are measured at fair values, which are equal to their carrying values due to short-term maturity.

The District does not have financial instruments classified as available-for-sale or loans and receivable at this time.

School Generated Funds (SGF) are funds raised in the community for student activities that come under the control and responsibility of school management. These funds are usually collected and retained at the school for expenditures paid at the school level. SGF does not include any other funds collected at the school but remitted to central office and accounted for by central office (facility rentals, capital assets purchases, etc.)

Notes:

- 1 Excludes fees collected pursuant to Section 60(2)(j) of the School Act (fees related to instructional supplies or materials - essentially textbooks, resource materials in lieu of textbooks, media, software, and materials for classrooms). Fees charged for CEU-related activities are recorded as instruction resource fees, not SGF.
- 2 The sum of "total related expenses" and "total uses of net SGF" is reported as "gross school generated funds" in the Statement of Revenues & Expenses.
- 3 Unexpended SGF is reported as SGF assets and SGF liabilities in the Statement of Financial Position.
