SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of ^{PEACE RIVER SCHOOL DIVISION #10} presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with generally accepted accounting principles and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chairman

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position and results of operations and cash flows for the year in accordance with generally accepted accounting principles and follow the financial reporting requirements prescribed by Alberta Education.

Auditors' Report

To the Board of Trustees
Peace River School Division No. 10

We have audited the statement of financial position of Peace River School Division No. 10 as at August 31, 2010 and the statements of revenues and expenses, cash flows, changes in net assets and capital allocations for the year then ended. These financial statements are the responsibility of the School Division's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the School Division as at August 31, 2010 and the results of its operations, changes in cash flows, net assets and capital allocations for the year then ended in accordance with Canadian generally accepted accounting principles.

Balance at August 31, 2010	\$506,479	\$29,552,327

* Infrastructure Maintenance Renewal/Infrastructure Maintenance Program allocations are excluded from this Statement, since those contributions are not externally restricted to capital.

PEACE RIVER SCHOOL DIVISION #10

NOTES TO THE FINANCIAL STATEMENTS 2009-2010

1. AUTHORITY AND PURPOSE

The School Jurisdiction delivers education programs under the authority of the *School Act*, Revised Statutes of Alberta 2000, Chapter S-3.

The jurisdiction receives instruction and support allocations under Regulation 77/2003. The regulation allows for the setting of conditions and use of grant monies. The School Jurisdiction is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles (GAAP). The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Revenue Recognition

Revenue is recognized as follows:

- Instruction and support allocations are recognized in the year to which they relate.
- Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.
- Unrestricted contributions are recognized as revenue when received or receivable. Contributions in-kind are recorded at fair market value when reasonably determinable.
- Externally restricted contributions are deferred and recognized as revenue in the period in which the restriction is complied with. Endowment contributions are recognized as direct increases in net assets in the period in which they are received or receivable.

b) Capital Assets

Capital Assets are recorded at cost, and are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings	10 to 40 Years
Vehicles & Buses	7 to 12 Years
Equipment & Furnishings	5 Years
Land Improvements	20 Years

Capital assets with costs in excess of \$5,000 are capitalized. Capital allocations received for asset additions are amortized into revenue over the same period as the amortization expense.

c) School Generated Funds

These are funds which come under the control and responsibility of a school principal for school activities. They are usually collected, retained, and expended at the school level (e.g. yearbook sales, graduation fees, field trip fees, etc.)

d) Vacation Pay

Vacation pay is accrued in the period in which the employee earns the benefit.

e) Pensions

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current and past service costs of the Alberta Teacher Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Peace River School Division No. 10 does not make pension contributions for certificated staff.

The school board participates in the multi-employer pension plan, the Local Authorities Pension Plan, and does not report on any unfunded liabilities. The expense for this pension plan is equivalent to the annual contributions of \$244,792 for the year ended August 31, 2010 (2009 - \$194,002). At December 31, 2009, the Local Authorities Pension Plan reported a deficiency of \$3,998,614,000 (2008, a deficiency of \$4,413,971,000). Effective for the 2009 – 2010 fiscal year, the Government of Alberta has taken responsibilities for the LAPP unfunded liabilities.

f) Inventories

Inventories are recorded at the lower of cost or net realizable value.

g) Prepaid Expenses

Certain expenditures incurred before the close of the school year are for school supplies which will be consumed subsequent to the year-end, and are accordingly recorded as prepaid expenses. Certain insurance expenses also fall into this category.

h) Contributed Services

Volunteers contribute a considerable number of hours per year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Because of the difficulty of compiling these hours and the fact that these services are not otherwise purchased, contributed services are not recognized in the financial statements.

i) Financial Instruments

These consist of cash, accounts receivable, investments, accounts payable, accrued liabilities, and long-term debt. It is management's opinion that the jurisdiction is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values. The jurisdiction has invested surplus funds in accordance with Section 60 (2) (d) of the *School Act*.

j) Operating and Capital Reserves

Reserves are established at the discretion of the Board of Trustees of the jurisdiction, to set aside funds for operating and capital purposes. Such reserves are appropriations of unrestricted net assets.

k) Measurement Uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of capital assets. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the periods in which they become known.

l) Investments

Short term Investments are valued at the lower of cost or market. Long term investments are valued at cost or, where there has been other than a temporary impairment in the value of the investment, at market value.

m) Capital Disclosures

The School Division's objectives when managing capital are to safeguard the entity's ability to continue as a going concern and to ensure the appropriate resources are available to continue school operations.

The School Division sets the amount of capital in proportion to risk and manages the capital structure and makes adjustments to it in light of changes to economic conditions and the risk characteristics of the underlying assets.

n) Long-lived Assets

Long-lived assets consist of property, plant and equipment with finite useful lives. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The School Division performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying value of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when undiscounted future cash flows from its use and disposal are less than the asset's carrying amount. Impairment is measured as the amount by which the asset's carrying value exceeds its fair value. Any impairment is included in earnings for the year.

Prices for similar items are used to measure fair value of long-lived assets.

o) Financial Instruments

Held for Trading The School Division has classified the following financial assets and liabilities as held for trading: cash and temporary investments and restricted cash (trust assets). These instruments are initially recognized at their fair value, determined by recent arm's length market transactions for the same instrument. Fair value is approximated by the instrument's initial cost in a transaction between unrelated parties. Transactions to purchase or sell these items are recorded on the trade date, and transaction costs are immediately recognized in income. Fees incurred on an exchange of financial liabilities or a modification of the terms of financial liabilities that is accounted for as an extinguishment are included as part of the gain or loss on extinguishment, while any related other costs incurred are recognized in current year earnings. All fees and costs incurred on the exchange or modification of a financial liability not accounted for as an extinguishment, are recognized in current year earnings.

Held for trading financial instruments are subsequently measured at their fair value, without any deduction for transactions costs incurred on sale or other disposal. Gains and losses arising from changes in fair value are recognized immediately in income.

Loans and Receivables

The School Division has classified the following financial assets as loans and receivables: accounts receivable. These assets are initially recognized at their fair value, approximated by the instrument's initial cost in a transaction between unrelated parties. Transactions to purchase or sell these items are recorded on the trade date, and transaction costs are immediately recognized in income.

Total interest income, calculated using the effective interest rate method, is recognized in net income.

Loans and receivables are subsequently measured at their amortized cost, using the effective interest method. Under this method, estimated future cash receipts are exactly discounted over the asset's expected life, or other appropriate period, to its net carrying value. Amortized cost is the amount at which the financial asset is measured at initial recognition less principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount, and less any reduction for impairment or uncollectability. Gains and losses arising from changes in fair value are recognized in net income upon derecognition or impairment.

Other Financial Liabilities

The School Division has classified the following financial liabilities as other financial liabilities: accounts payable and accrued liabilities, trust liabilities, and term debt. These liabilities are initially recognized at their fair value, determined by the discounted cash flow method. Fair value is approximated by the instrument's initial cost in a transaction between unrelated parties. Transactions to purchase or sell these items are recorded on the trade date, and transaction costs are immediately recognized in income. Total interest expense, calculated using the effective interest rate method, is recognized in net income.

Fees incurred on an exchange of financial liabilities or a modification of the terms of financial liabilities that is accounted for as an extinguishment are included as part of the gain or loss on extinguishment, while any related other costs incurred are recognized in current earnings. All fees and costs incurred on the exchange or modification of a financial liability not accounted for as an extinguishment are included in the carrying amount of the modified financial liability and amortized over its remaining expected life. Any related other costs incurred are recognized in current year earnings.

2013-2014	302,843	110,586	413,429
2014-2015	302,843	79,318	382,161
2015 to maturity	481,204	73,376	554,580
Total	\$2,502,166	\$860,235	\$3,362,401

10. DEFERRED CAPITAL ALLOCATIONS

Deferred capital allocations represent externally-restricted supported capital funds provided for a specific capital purpose received or receivable by the jurisdiction, but the related expenditure had not been made at year-end. When expended, these deferred capital allocations are transferred to unamortized capital allocations.

11. UNAMORTIZED CAPITAL ALLOCATIONS

Unamortized capital allocations represent externally-restricted supported capital funds that have been expended, but have yet to be amortized over the useful life of the related capital asset. The unamortized capital allocations account balance is increased by transfers of deferred capital allocations expended, as well as fully-supported debenture principal repayments.

12. RELATED PARTY TRANSACTIONS

Effective 2005/2006, school jurisdictions are controlled by the Government of Alberta according to criteria set out in PSAB 1300. All entities consolidated or accounted for on a modified equity basis in the accounts of the Government of Alberta are now related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

2009-2010	Balances		Transactions	
	Assets (at cost or net realizable value)	Liabilities (at fair value)	Revenues	Expenses
Government of Alberta:

Contingencies or Contractual Obligations with related parties are under separate disclosure.

14. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The jurisdiction's primary source of income is from the Alberta Government. The Division's ability to continue viable operations is dependent on this funding.

15. REMUNERATION AND MONETARY INCENTIVES

The Peace River School Division No. 10 had paid or accrued expenses for the year ended August 31, 2010 to or on behalf of the following positions and persons in groups as follows:

Board Members:	FTE	Remuneration	Benefits	Negotiated Allowances	Performance Bonuses	ERIP's / Other	Expenses

16. FINANCIAL INSTRUMENTS

Risk management policy:

The District, as part of operations, has established avoidance of undue concentrations of risk as risk management objectives. In seeking to meet these objectives, the District follows a risk management policy approved by its Board of Trustees.

17. BUDGET AMOUNTS

The budget was prepared by the school jurisdiction and approved by the Board of Trustees on November 30, 2009. It is presented for information purposes only and has not been audited.

**SCHEDULE B
SCHOOL GENERATED FUNDS (SGF) - 2009-2010**

Unexpended SGF - Opening Balance August 31, 2009 (Note 1)			\$700,392
Sources of School Generated Funds:	Gross SGF	Related Expenses	Net SGF
Fundraising activities	\$1,039,425	\$697,419	\$342,005
Student fees (Non-Instructional) (Note 1)	\$31,911	\$36,932	(\$5,021)
Donations and grants to schools	\$79,407	\$0	\$79,407
Other (describe): donations sent to division for receipt	\$29,850	\$0	\$29,850
Net Additions to SGF	\$1,180,593	\$734,351	\$446,242
Net SGF Available			\$1,146,635
Uses of Net School Generated Funds:			
Extra-curricular activities			\$259,637
Field Trips			\$791
Other (describe): interest, s/c, staff funds, school beautification, equipment, supplies, grad, yearbooks, awards			\$202,229
Total Uses of Net SGF (Note 2)			\$462,657
Unexpended SGF - Closing Balance August 31, 2010 (Note 3)			\$683,978

School Generated Funds (SGF) are funds raised in the community for student activities that come under the control and responsibility of school management. These funds are usually collected and retained at the school for expenditures paid at the school level. SGF does not include any other funds collected at the school but remitted to central office and accounted for by central office (facility rentals, capital assets purchases, etc.)

Notes:

- 1 Excludes fees collected pursuant to Section 60(2)(j) of the School Act (fees related to instructional supplies or materials - essentially textbooks, resource materials in lieu of textbooks, media, software, and materials for classrooms). Fees charged for CEU-related activities are recorded as instruction resource fees, not SGF.
- 2 The sum of "total related expenses" and "total uses of net SGF" is reported as "gross school generated funds" in the Statement of Revenues & Expenses.
- 3 Unexpended SGF is reported as SGF assets and SGF liabilities in the Statement of Financial Position.

**SCHEDULE C
Operations and Maintenance of Schools & Maintenance Shops Program Expense Details - 2009-2010**

EXPENSES	Custodial	Maintenance	Utilities and Telecommunications	Expensed IMR and Modular Unit Relocations	Facility Planning & Operations Administration	Unsupported Amortization & Other Expenses	SUB-TOTAL Operations & Maintenance	Supported Capital & Debt Services	TOTAL Operations and Maintenance

Non School Buildings									6,449.0

Note:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed IMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

Expensed IMR & Modular Unit Relocations: All operational expenses associated with non-capitalized Infrastructure Maintenance Renewal projects (AKA IMP and BQRP) and modular unit (portable) relocations.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project administration, administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.
