AUDITORS' REPORT

To The Board of Trustees

Wild Rose School Division No. 66

We have audited the statement of financial position of the Wild Rose School Division No. 66 as at August 31, 2010 and the statements of revenues and expenses, cash flows, changes in net assets and capital allocations for the year then ended. These financial statements are the responsibility of the school jurisdiction's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the school jurisdiction as at August 31, 2010 and the results of its operations, changes in cash flows, net assets and capital allocations for the year then ended in accordance with Canadian generally accepted accounting principles.

**WILD ROSE SCHOOL DIVISION NO. 66
NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED AUGUST 31, 2010**

1. AUTHORITY AND PURPOSE

The School Division delivers education programs under the authority of the School Act, Revised Statutes of Alberta 2000, Chapter S-3.

The jurisdiction receives instruction and support allocations under Regulation 77/2003. The regulation allows for the setting of conditions and use of grant monies. The School Jurisdiction is limited on administration expenses and is permitted to reallocate funding within the Alberta Education instruction and support block areas. The School Jurisdiction being provincially funded is not subject to Provincial or Federal Incomes Taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles (GAAP) and accounting policies consistent with those prescribed by Alberta Education for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

Revenue Recognition

Revenue is recognized as follows:

Instruction and support allocations are recognized in the year to which they relate.

Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Unrestricted contributions are recognized as revenue when received or receivable.

Contributions in-kind are recorded at fair market value when reasonably determinable.

Externally restricted contributions are deferred and recognized as revenue in the period in which the restriction is complied with. Endowment funds, which are to be retained as net assets, are recorded as direct increases in trust assets and liabilities in the period in which they are received or receivable.

**WILD ROSE SCHOOL DIVISION NO. 66
NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED AUGUST 31, 2010**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Capital Assets

Capital assets are recorded at cost and amortized over their estimated useful lives on a straight line basis at the following rates:

Buildings	2.5% to 10%
Equipment	10% and 20%
Vehicles	10% and 20%
Computer Hardware and Software	20%

Only capital assets with costs in excess of \$5,000; or restricted by expenditure are capitalized. Any capital allocations received for asset additions are amortized over the same period as the related asset.

The capital asset pools of furniture, equipment and buildings are deemed fully disposed 10 years after full amortization of the costs or incremental costs. Disposal amounts are prorated over the 10 years following full amortization. For buildings, this is an adjustment for the long-term nature of the asset, and capitalization of improvements extending the useful life, without any identifiable disposal of those components previously capitalized. For furniture and equipment, this adjustment recognizes that disposal of assets will take place over time, but not be specifically identifiable.

Inventories

Inventories are recorded at the lower of cost and net realizable value.

School Generated Funds

Funds generated from school-based activities are included as assets, liabilities, revenues and expenses of the school jurisdiction because the accountability and control of these funds rests with school jurisdiction officials or their appointee(s). These funds are usually collected and retained at the school for expenditures paid at the school level (e.g. yearbook sales, graduation fees, field trip fees, etc.)

Vacation Pay

Vacation pay is recorded when earned.

Prepaid Expenses

Certain expenditures incurred before the close of the school year are for school supplies which will be consumed subsequent to the year-end, and are accordingly recorded as prepaid expenses. Certain insurance expenses also fall into this category.

**WILD ROSE SCHOOL DIVISION NO. 66
NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED AUGUST 31, 2010**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Contributed Services

Volunteers assist schools operated by the School Division in carrying out certain activities. Due to the difficulty of determining the fair value of these services and the fact that such assistance is generally not otherwise purchased, contributed services are not recognized in the financial statements.

Financial Instruments

The jurisdiction's financial instruments consist of cash, accounts receivable, accounts payable, accrued liabilities, and long-term debt. It is management's opinion that the jurisdiction is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values. The jurisdiction has invested surplus funds in accordance with Section 60(2)(d) of the School Act. Interest on debenture debt is fully supported by Alberta Finance.

Pension

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current service and past service costs of the Alberta Teacher Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Wild Rose School Division does not make pension contributions for certificated staff.

The school board participates in the multi-employer pension plan, the Local Authorities Pension Plan, and does not report on any unfunded liabilities. The expense for their pension plan is equivalent to the annual contributions of \$557,947 for the year ended August 31, 2010. At December 31, 2009, the Local Authorities Pension Plan reported an actuarial deficiency of \$4 billion (2008 deficiency of \$4.4 billion). In 2010, the Province recorded a liability of \$314,000,000 (2009 - \$186,000,000) for its portion of the unfunded pension obligation related to organizations controlled by the province

Operating and Capital Reserves

Reserves are established at the discretion of the Board of Trustees of the jurisdiction, to set aside funds for operating and for future capital expenditures. Such reserves are appropriations of unrestricted net assets.

Employee Future Benefits

The jurisdiction accrues its obligations under employee future benefit plans and expenses the related costs. There is no financial impact on the jurisdiction at this time.

14. ASSET RETIREMENT OBLIGATIONS

Asset retirement obligations represent legal obligations associated with the retirement of a tangible long-lived asset that resulted from its acquisition, construction, development or normal operations. The jurisdiction is unaware of any asset retirement obligations.

15. UNAMORTIZED CAPITAL ALLOCATIONS

The unamortized capital allocations account balance is increased by transfers of deferred capital allocations expended, as well as fully-supported debenture principle repayments.

16. CONTINGENCIES

Contingent Assets

The School Division is a member of a reciprocal insurance exchange called ASBIE. A portion of the premiums paid each year represents equity contributions to the insurance fund. These payments have been recorded as expenditures in the financial statements as the value of the equity is subject to liability claims and is not an asset that the jurisdiction can liquidate.

Legal Action

The jurisdiction has been named as a defendant in a lawsuit whereby the plaintiff is seeking damages relating to former employment. As the likelihood of the outcome and potential damages, if any, ensuing from this lawsuit are not determinable at the date of reporting, no provision has been made in the financial statement for any costs associated with this lawsuit.

17. COMMITMENTS

Student Transportation Contracts

The jurisdiction is committed to 30 student transportation contracts for the operation of school buses. These are term contracts with a 90 day notice of early termination clause. The maturity dates for these contracts are grouped as follows:

18. RELATED PARTY TRANSACTIONS

Effective 2005/2006, school jurisdictions are controlled by the Government of Alberta according to criteria set out in PSAB 1300. All entities consolidated or accounted for on a modified equity basis in the accounts of the Government of Alberta are now related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta. The Wild Rose School Division No. 66 has related party transactions for the year ended August 31, 2010 with the Red Deer College and the Red Deer Catholic Regional Division No. 39. These transactions are recorded on the Statement of Revenues and Expenses and Statement of Financial Position, at the amount of consideration agreed upon between the related parties.

23. FUTURE CHANGES IN SIGNIFICANT ACCOUNTING POLICIES

The following accounting standards have been issued by the CICA but are not yet effective. The School Division is currently evaluating the effect of adopting these standards on their financial statements.

Generally Accepted Accounting Principles – All non-profit organizations will be required to choose which set of accounting standards they will adopt for years beginning on or after January 1, 2012. Two options for accounting standards are available to choose from: GAAP for Non-Profit Organizations or International Financial Reporting Standards (IFRS). Early adoption of either standard is available to entities with periods ending on or after December 31, 2009. Both options will result in significant changes to the financial presentation or disclosure of the reporting entity. This entity has indicated that they intend to adopt GAAP for Non-Profit Organizations within the next fiscal year and are currently investigating the impacts.

These funds are usually collected and retained at the school for expenditures paid at the school level. SGF does not include any other funds collected at the school but remitted to central office and accounted for by central office (facility rentals, capital assets purchases, etc.)

Notes:

- 1 Excludes fees collected pursuant to Section 60(2)(j) of the School Act (fees related to instructional supplies or materials - essentially textbooks, resource materials in lieu of textbooks, media, software, and materials for classrooms). Fees charged for CEU-related activities are recorded as instruction resource fees, not SGF.
- 2 The sum of "total related expenses" and "total uses of net SGF" is reported as "gross school generated funds" in the Statement of Revenues & Expenses.
- 3 Unexpended SGF is reported as SGF assets and SGF liabilities in the Statement of Financial Position.
