DRAWING NOTES
Locations of existing trees shown are conceptual and actual locations may vary. Precise tree locations are to be verified in the field by site survey.

Existing trees shown as 'to remain' may conflict with proposed utility, site grading and other works. Where a conflict is identified with an existing tree, or trees, the tree(s) shall be removed and relocated to an area of the site out of the line of work. All procedures for tree relocation shall conform to 'The City of Calgary Standard Specifications - Landscape Construction' (current edition). Where a conflict is identified with a tree, or trees located within the City road ROW, the Urban Forestry section of the Calgary Parks Department must be notified prior to any tree removal and relocation.

Existing trees shown as 'to be relocated' shall be removed and indicated on site locations as indicated. All procedures for tree relocation shall conform to 'The City of Calgary Standard Specifications - Landscape Construction' (current edition).
