

ACKNOWLEDGEMENTS

The *Senior High School English Language Arts Guide to Implementation* was developed by the Learning and Teaching Resources Branch of Alberta Learning. A considerable debt of gratitude is owed to the Department of Education and Youth, Government of Manitoba (formerly Manitoba Education and Training), for permission to draw from its curriculum support document *Senior 2 English Language Arts: A Foundation for Implementation*, 1998.

Alberta Learning expresses its appreciation to the many teachers and other educators whose teaching experiences and feedback informed the development of this document.
